GIS / TAX MAP OFFICE

The GIS and Tax Map Offices are located in the Highland County Administration Building, on the second floor, in Room 206. The Tax Map Office continues to ensure that land transfers and new surveys are within the guidelines of the Ohio Revised Code and the Highland County Planning Commission. They checked 1,795 deed transfers, 264 easements and 90 land contracts in 2014. They use the Highland County GIS system to print tax maps. The GIS Office continues to maintain the countywide database, which currently contains records for over 32,000 parcels. They continue to maintain and improve the data for the GIS system. They are currently working on a computer infrastructure project to enhance their service to taxpayers, government agencies, surveyors, and businesses. DVDs with the GIS data are available for purchase for \$10. This DVD includes color photography that was taken in March of 2012. Some basic GIS information is also available on the internet at <http://highlandcountyauditor.org/>.
